

Presentation Bookbinding

DO you have a treasured book that means something very special to you? Why not have it bound in luxurious gold-tooled leather. There is a timeless quality of the look and feel of a fine, handcrafted leather bound book. It is pleasing to touch, durable, looks wonderfully elegant and makes a specially perfect Presentation gift. Choose from full to part leather, with gold tooling and gilded page-edges. Hand-marbled endpapers, protective cases and personalised presentation labels are available and also a repair service for 'poorly' books too.

Luxury Full Leather with inset miniature under glass, in a tailored protective case.

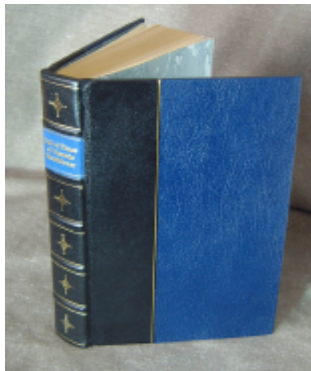

Customised Presentation book label
